# Partnerships

*The Sino-Italy Ningbo Ecological Park (SinePark) was created in 2015 by the MoU on Jointly Supporting the Establishment of Sino-Italy Ningbo Ecological Park, signed between the Italian and Chinese Governments. It is a unique ecological park of Zhejiang Province, one of the 8 state-level parks for international cooperation in China. The SinePark is strategically located in the Yangtze River Delta in Zhejiang Province in Yuyao (Ningbo) city. It hosts also an incubator and R&D center in collaboration with Tsinghua University. SinePark focuses on the following sectors: New Energy Automobile, New Materials, Eco-friendly industrial base, Life & Health, General Aviation (High end equipment).*

*International Arbitration Center of wenzhounese entrepreneurs signed a strategic cooperation agreement with Silk Council to open a representative office in Rome, Italy.*

*The Italian Agricultural Industry Association with 110,000 members including farmers, agri-food companies, agro-industrial companies and retirees, inspires its action to the adoption of measures aimed at enhancing Italian agriculture in all its professional and territorial expressions.*

*The partnership has the aim of creating and improving synergies between chinese investors and european businesses for the development of international projects.*

**eastwest**  
European  
Institute

*The Eastwest European Institute is an independent organization specialized in geopolitical analysis, organization of scientific events and training projects focused on international affairs and global dynamics, for students and professionals.*

Consorzio per  
l'Area di Sviluppo  
Industriale di Bari

*The A.S.I. Bari is a body for the promotion and localization of production initiatives in the territory of the Metropolitan City of Bari, which involves the Metropolitan City of Bari, the Municipalities of Bari, Bitonto, Giovinazzo, Modugno, Molfetta, the Chamber of Commerce of Bari and, as a private entity, the Confindustria of Bari.*
